1984 Senior Class Presents

ORACLE '84

Randolph High, Randolph, Mass.

Friends don't let friends drive drunk.

Drinking and driving:
we can help make it less popular.

Think about who's been drinking
and who's going to drive.

We have to start taking care of each other.
That's what friends are for.

Joan M. Matus '80, a member of the

A black and white photograph of a desk. In the foreground, a spiral-bound notebook is open, showing a page with a grid of small squares, possibly for a calendar or a ledger. A pen lies on the desk next to the notebook. In the background, a small, dark container, possibly a pencil holder or a jar, is visible. The word "FACULTY" is printed in large, bold, capital letters across the top of the image.

As graduation approaches, I am sure you are filled with a sense of pride and anticipation. A sense of pride in the successful culmination of your high school experience. We and your parents share in that pride of accomplishment. A sense of anticipation because the unknown future presents a new and probably more demanding challenge.

My hope is that your education will help you to make better decisions about your life's goal. My prayer is that you have matured as individuals; able and willing to provide solutions to the problems that exist.

I congratulate each young adult in the Class of 1984. I wish for you Health, Happiness and the Courage to make this a better world.
